What are CO2 pipelines? Can Navigator be stopped?

Public Meeting - Presentation and Q&A
Date: Thursday, Sept. 8, 2022 at 5 P.M.
Place: Spoon River College Community Outreach Center
2500 E. Jackson St, Macomb, IL

Presenters, Lan and Pam Richart will cover several topics on the proposed Navigator CO2 Pipeline planned to go through Illinois including parts of McDonough, Fulton and Knox Counties.

This pipeline is NOT a done deal!
EVERYONE LIVING ON OR NEAR THESE PROPOSED PIPELINE PATHWAYS SHOULD ATTEND!

Even Citizens in nearby towns may be affected!
 We need to pack the room and show our county officials that landowners are willing to FIGHT for their land and need their support. There are steps that can be taken to intervene.

Come to this public meeting &
